Noho Marae Maketu Term 1, 2021

Dear Parents, Caregivers and Whanau

In Term 1, 2021 our whole school is attending noho marae in Maketu.. Your child will attend their camp on these approximate dates:

- Monday 1st March - Thursday 4th March - (Moana Waka)
- Thursday 4th March - Sunday 7th March (Maunga Roopu)
- Sunday 7th March - Wednesday 10th March (Team Ngahere)

The purpose of this Noho Marae is to build class and team cultures and to give the students education outside of the classroom. It is very important that your child attends noho marae to build friendships, memories and confidence in themselves with the selected activities we will be offering. Building relationships quickly is essential at an intermediate school where a large number of students are enrolled and start at the same time and come from a range of contributing schools. One of the most important parts of starting Intermediate School is to develop a sense of belonging. Kaitao Intermediate holds our camps early for this specific reason and knows that this works to settle new students in as quickly as possible.

Regardless of whether students have been to this marae before, participation is vital to their learning in Term 1. All classes will focus their learning around the Te Arawa Journey - Mai Maketu ki Tongariro - making links across the curriculum in science, social sciences, maths, literacy, PE and the Arts.

The cost for noho marae will be \$200.00 and is subsidised by the school. Noho marae will be fully catered. Your help with fundraising towards providing this subsidy for all students will be appreciated. This can be paid in full at the school office, or you can set up an automatic payment to be paid before camp. Please feel free to call in or ring the school office for bank details. Use the reference (camp2021) for any automatic payments.

Please fill in the permission slip below along with the health form attachment included and return to the school office **NO LATER** than **2 weeks prior to the date your child's team is due to go on camp.** We cannot accept late forms as our planning and payments for transport and kai are due prior to noho commencing.

Police vetting was completed by parents at the end of 2020 for new enrolments. Our policy is that parents are vetted every two years so if you were vetted and attended the 2020 camp and your child is in Year 8 you will not need to complete the vetting process again, we will have this information on file and you are already approved. **Please indicate below, your wish to attend Noho Marae Maketu in 2021. We require 2 parent helpers per class as a minimum. There is no charge for parents attending as helpers.**

If you have any concerns regarding your child attending camp please ensure you speak with your child's teacher. All staff are very experienced in managing and relating to pre-adolescents and we understand the range of considerations for all students.

Nga mihi
