# *From the Principal and Deputy Principals' Desks*

Dear Parents, Caregivers and Whānau

**School Social** - We are so delighted that we have at least 140 students attending the social. We have changed the venue size to accommodate the very large response. It has been disappointing to see people rushing to Facebook instead of contacting the school office. We are an inclusive school and where possible we always try to have our students attend important milestone events such as this one. If there is an issue and we know about it we always do our best to ensure best outcomes.

We do look forward to seeing our students have a great time at the Formal. A huge thank you to Whaea Taki and Whaea Jess who have been the main organisers for this year's Formal.

**Reports** - Student reports are available online through our Linc Ed Hero system. If you need support in accessing your child's information we have enclosed the information on how to get into this system. If you need to print it you can either download it at home or contact our office and we will print it for you.

**Enrolments - Year 8 students reminder** - Reminder to please enrol your child/ren at your preferred High School they will be attending next year. Also, if you have child/ren attending next year not already enrolled please get these in as soon as possible.

**Parent and Daughter Evening** - Thank you to those parents and daughters who attended the information evening and collected their products for the holidays. There are plenty more to collect from the office for EVERY girl over the holidays. Please either send your daughter to get them or come and collect them yourself, if this is less embarrassing for your daughter.

**Bus Students** - Our last day of school is Wednesday, 16th December with our Kaitao Excellence Awards and Graduation in the morning. Students are to leave school after the prizegiving. Ritchies buses will be running in the morning and will also pick students up at 12.30pm to go home.

**Prize giving events** - We really look forward to celebrating the year's successes with you at the Team and Whole School prize giving events over the next two weeks.

Kind regards

Phil Palfrey          Debbie Holmes

Principal              Deputy Principal

Dear parent/caregiver

### Immunisations for Year 7 and 8 students

We will be coming to your school to offer the following immunisations to Year 7 and Year 8 students, in 2021

What is the name of the immunisation?	What diseases does the immunisation offer protection against	Who will the immunisation be given to?	How many injections does a child have?
Boostrix	Diphtheria Tetanus Whooping cough	Year 7 - girls and boys	One
Gardasil 9	Human Papillomavirus (HPV) which can lead to cancer	Year 8 - girls and boys	Two (over a six months)

To receive any immunisation at school, a child must have a consent form filled out and signed by their parent or legal guardian. **We will be sending these forms out in February 2021 so please look out for them, complete, and return to the school.**

It is important that even if you do not consent to the vaccination at school that you return the form, indicating a non consent.

Information on the vaccines, diseases covered and management of personal information is included in the consent form and accompanying information.

A nurse from the Immunisation team will come to the school to give an education session to the students in February **2021**.

Parents are welcome to contact the PHN or their GP for more information or,

Information is also available from ,
